

Capstone Project - The Battle of Neighborhoods (Business Problem)

Introduction:

The purpose of this project is to assist people in exploring better facilities around their neighborhood. It'll help people making smart and efficient decision on selecting great neighborhood out of all neighborhoods in Scarborough, Toronto.

Lots of people are migrating to varied states of Canada and needed many researches permanently housing prices and reputed schools for his or her children. This project is for those people that are trying to find better neighborhoods. For simple accessing to Cafe, School, Super market, medical shops, grocery shops, mall, theatre, hospital, compatible people, etc.

This project's aim is to make an analysis of features for nation migrating to Scarborough to look-up a be neighborhood after a comparative analysis between neighborhoods. The features include median housing price and better school consistent with ratings, crime rates of that specific area, road connectivity, weather, good management for emergency, water resources both fresh and waste water and excrement conveyed in sewers and recreational facilities.

It will help people to urge awareness of the world and neighborhood before moving to a replacement city, state, country or place for his or her work or to start out a replacement fresh life.

Problem:

The major purpose of this project, is to suggest a far better neighborhood for the one that are shifting there. Social presence in society in terms of compatible people. Connectivity to the airport, bus stand, city center, markets and other daily needs things nearby.

The Location:

Scarborough may be a popular destination for brand spanking new immigrants in Canada to reside. As a result, it's one among the foremost diverse and multicultural areas within the Greater Toronto Area, being home to varied religious groups and places of worship. Although immigration has become a hot topic over the past few years with governments seeking more restrictions on immigrants and refugees, the overall trend of immigration into Canada has been increasing.
